

School Infrastructure

School infrastructure is significant in shaping up a student's personality and holistic learning process. For this DAV Ambota has 75 ventilated and fully air conditioned rooms, 1 library, 1 playground, 2 activity rooms, 6 well equipped labs to enable students to perform lab activities effectively, well maintained sanitation facilities along with two very beautiful garden presenting a lovely sight of nature. Our infrastructure play an enabling role in solving many access related problems of students, thereby giving boost to their academic performance.
