EMPHASIS ON THOUGHT & LEARNING

D.A.V.SR .SEC.PUBLIC SCHOOL AMBOTA

Message JULY TO SEP 2014

Affiliated to CBSE , New Delhi

Website: www.davschoollambota.com

BEGINNING OF THE NEW SESSION WITH HAWANA ON 3RD April.

Mr. Namit Sharma
Principal

Dear Visitors

It's a matter of great pleasure to link for the very first time with each and every member of D.A.V.Sr. Sec. Public School Ambota through our very first quarterly issue of its e-newsletter "e-Glance Acme". I am very glad to see that D.A.V. Sr. Sec.

Public School Ambota bringing out its first news-letter called e-glance acme. I am very thankful to vice-Chairman Mr. K.C Katna and Manager Mr. G.k Bhatnager. Many students of D.A.V. are leading research scientists, professors, sports person, civil servants and entrepreneurs. Some are working in army, media etc. They all are busy with their profession and life. They may or may not be in touch with each other or with their alma mater. I am sure that alumni association through e-glance acme will provide a mechanism for keeping in touch with each other, making new contacts and friends both in personal and business level. In addition, it will keep them informed about the progress and development of their alma mater. Administration and teachers everywhere recognize important contributions that parents make towards their child's success in school. One of the most important components of good school is the partnership between the school and the parents who work together for the best interest of children, throughout the year parents have the opportunity to develop that partnership. It's tremendously enjoyable to see the excitement in the eyes of our students as they are actively engaged in enriching activities. I encourage them to work hard in school, set goals for their life and stay focused on those goals. Keep your eyes on your goals and don't let anyone or anything deter you from achieving them.

I wish you good luck..... Harshita & Kashish 11th

It will always be written in the history of DAV Ambota that its new session began with the chanting of "Vedic Mantras". Mr. Munish Arya, one of the prominent Arya Samaji blessed our students by chanting the Mantras, our Principal along with the staff in the Hawana on 3rd April, 2014. He enlightened the students that Hawana is the way to cleanse our body, mind and soul from all sins and through the Havana we worship Agni, the God of fire to keep our spirits high like Agni and we at DAV take pride in practising this Vedic culture for the betterment of mankind . Mohit Sood(12th)

BOOK FAIR BY SCHOLASTIC

IT HAS BEEN RIGHTLY SAID THAT OUR RIGHT STEP, LEADS TO THE SUCCESS.

Taking into consideration, the above said, a three day 'book fair' was organized at DAV AMBOTA .This book fair was a great success each and every book was according to the taste of student, from 1 to +2 standards. The children were very excited about this fair. They visited the book fair along with their parents and grab the opportunity as much as they can. The aim of this 'book fair' was not only to improve the reading skill or tastes of the students but also to make them aware of themselves towards their surrounding by opening the window of vast book world. The scholastic group donated precious and knowledgeable books for the school library.

Date: 16, 17 and 19th April, 2014

VALUE BASED MORNING ASSEMBLY

DAVIETS at Ambota are constantly striving to flutter the flag of DAV Ideology, our worthy Principal has taken initiative in this direction to inculcate the moral values like respect, love, courage, empathy etc. Morning Assembly is the backbone of every educational institution. As it provides numerous opportunities to the students to learn value, which can shape their thought pattern

"It is a well defined principle that what the mind profoundly expects its tends to receive."

This year the school introduced value based Morning assembly. Each class gets value based name. Accordingly the respective class conducts morning assembly. Numerous opportunities to the students to learn value, which can shape their thought pattern. **Aanchal Parmar 10th A**

OUR CONSTANT SUPPORTERS

The philanthropic and benevolent attitude of the renowned men/women of the area, plays a role model for our student. As their fraternal acts help us for the smooth functioning of our school. SBI, Gagret Branch donated us four ceiling fans and Mr. Shadilal Goswami the most renowned person has also donated a four ceiling fans to the school. **Aashima jaswal 10th A**

INVESTITURE CEREMONY

Leaders are the path showers of the society. We Ambotians believe that leaders are not born instead they are made. An Investiture Ceremony took place to choose the leaders of our school parliament. It was held on 19th May 2014. The following students were decorated with the satches and badges.

Head Boy
Ankur Sharma

Head Girl
Shikha Rana

Our Chief guest was Mr. Mahajan, Principal, Govt. Polytechnic College, Nahan who graced the moment by his benign presence.

Science Fair on P.T.M.

To inculcate scientific temperament and awareness among the students, the school organized a science fair. It sparked the innovative ideas of one future Edison, Newton and Graham Bell. They displayed amazing and catchy models, even the parents got mesmerized. 10th May when our school had organized a science fair in the school campus. Tabishi Iakhanpal 12th

Myself Sahil Kumar, the student of 8th A class with my fellow beings had taken the topic "Advancement of technology as well as the hazards of Pollution" in our life. Our motive of this model was to aware each and every people about the environment, every use of technology and effects of pollution. But we got extra knowledge about our model from the parents. It was very delightful day in my life that I got a chance to explain my model in front of the well educated people. I am very grateful to my school for this participation.

By Sahil Kumar (8th A)

It was the day of 10th May when our school had organized a science fair in the school campus. I also took participate in this fair with my family and made a working model which show the "magnetic effect of electric current". Luckily on that day there was Parents Teacher meeting on that day. So all the parents came to meet the teachers and they got an opportunity to attend the fair also. They saw our model and discussed their views with us. They were impressed by our efforts and also appreciated. It was an unforgettable experience for us. I hope that our school will organize such type of fairs every month.

By Surbhi Jaswal (9th C)

Recently 31st state level chess championship which was held on 28th April, 2014 SHRI-SHRI RAVI SHANKAR SR. SEC. SCHOOL UNA our school got Third prize. It proves that D.A.V Ambota excels not only in academics but shows its remarkable performance in other fields also. The bookish knowledge to the students coming from surrounding but it is paying its attention towards overall development of the students Mr. Ajay Thakur and Mr. Ajay Jaswal were there with the participants, Rishab, Navneet Singh and Sahil Sangar. It was a great day for all the members of D.A.V family.

SPIRIT OF BENEVOLENCE

Since DAV Ambota believes in the benevolent attitude for all sound development of our students. The school made an endeavour that our students get a chance to peep into the glum life of their less fortunate brethren. The society is also campaigning for pollution free environment. The society is developing an awareness programme of how to protect themselves from cancer and pollution related diseases.

The Sr.Project Manager Mr. Sanjay Sharma visited our school and interacted with our students about the plight of poor children, who are forced to lead a hard life. Our students whole

heartedly contributed to the cause. Our school's total contribution was 23000/-

Mr. Sanjay thanked our school for the generosity.

FRUIT DAY

With an objective to create awareness among children & parents about the importance of consumption of fruits in regular diet . D.A.V School Ambota here on 27 MAY 2014

celebrated "FRUIT DAY" & the main participants were children from L.KG & U.KG Our Principal Sir, explained the importance of fruits intake in diet to the kids. Quoting reports, he said that 90% of child's brain develops by the age of 5 & hence parents must take care to include all nutrients in diet for mental & physical growth .Later the school conducted a ramp walk for children sporting fruit. The kids enjoy this day very much

Congrats!!!

GRATITUDE TOWARDS ALMA MATTER

Congrats!!!

The students of our school touched the zenith of success. Name any institution be it IIT, Medical college, Engineering college, our students made a niche in every field. Airing their views they credited their visioned Principal, dedicated and concerned teachers for their success. They set an example for the young students by materializing their dreams into reality.
